

Farhan Ali Shah

Motivated **Computer Engineer** and **PHP Developer** with strong problem-solving skills, hands-on experience in **Laravel development**, and a focus on troubleshooting, debugging, and optimizing application performance. Passionate about building secure and efficient applications while ensuring data protection and clean code practices.

EXPERIENCE:

Aptech Learning- Faculty Member

September-2024 present

* I am working as a faculty member at Aptech Learning, where I am teaching frontend technologies (HTML, CSS, JavaScript, Bootstrap, jQuery) and backend technologies (PHP, Laravel, .NET Core MVC).

Tafsol Technologies— Laravel Backend Developer

March 2024 — September 2024

* During my internship, I developed a blog management system, a learning management system, and a hospital management system as practice projects in Laravel. Afterward, I started working on the following client projects:

- 'IsendUcan' Project in which I built a CMS, thoroughly developed CRUDS according to project flow, server-side validations using jQuery, working with Ajax, and working on blade build server-side logic, Mail Chimp newsletter, also developed a QR code with Google API by using HTTP client Guzzle Laravel.
- Insurance Commission of the Bahamas project, I developed multiple CRUDs of 25 user forms related to insurance policies and server-side validations, jQuery, and used Ajax for blade loading without page refresh.
- Goncalo project: I do the localization of the whole project, converting it into multiple languages and building a CMS.
- Comply project (Contractor-based Platform) I Integrate recurring Stripe payment methods using checkout session for inbound payments. I also integrate PayPal using Express Checkout and build CMS and Send Emails, apply cron job logic in functions, and work according to the project flow.
- I also used a third-party web service in Curl to fetch specific Vehicle parts data from Specific vehicle numbers for the Vinbay Project (Vehicle-related service platform).

Code Clause — Web developer Intern January

2024 - February 2024

One Month Internship:

* In this one-month internship, I developed a text editor project in PHP and MySQL and a live language translation web app in PHP using Composer and JSON.

Address: Nazimabad Block-2 Karachi.

Phone no: (+92 3118348808)

Email: farhan.alishah12@gmail. com

LINKEDIN:

SKILLS:

PHP, OOPS,
LARAVEL, LIVEWIRE,
Bootstrap 5,
MYSQL, SQLITE,
JQUERY, AJAX, JSON,
C#
.NET CORE MVC,
UNITY3D,
WORDPRESS
HTML, CSS
JAVASCRIPT
GIT, GITHUB

LANGUAGES:

English (Intermediate Level)

Urdu (Mother Tongue)

Computer Services Professional — Frontend Web Developer Intern **June 2023 – July 2023**

* Two-month internship focused on optimizing Bootstrap templates based on client requirements. Worked with jQuery for frontend DOM manipulation and enhancing user interactions.

EDUCATION:

Sir Syed University of Engineering and Technology, Karachi
— BSCE (Bachelor of Science in Computer Engineering)

Duration: Feb (2020) -Feb (2024) **CGPA: 2.71 CGPA.**

Government Delhi College, Karachi — Intermediate- Computer Science

Duration: 2017-2019. Grade: B (63%).

The Times' School, Karachi — Matric- Computer Science in 2017
Grade: A-one (82%).

PROJECTS:

Live-Chat Application Reverb in Laravel 11

- I developed a live chat application using Laravel 11, integrating the Livewire and Reverb packages for real-time event broadcasting. This chat system allows users to log in and communicate with other users seamlessly.

Job Portal Platform in Laravel

- Developed a Job Portal in Laravel with three roles: Candidate, HR, and Admin. Implemented features like job posting, application submission, profile updates, and resume downloads. Used AJAX and jQuery for CRUD operations and form validation.
- Applied troubleshooting techniques during CRUD operations and implemented client-side & server-side validation to ensure performance and security.

REST API for Login & Registration in Laravel

- Built a REST API for user login and registration using JWT tokens in Laravel. Secured authentication and implemented role-based access with Sanctum.

Security & Authentication: JWT, Sanctum.

CRUD APIs in Core PHP

- Created CRUD APIs in Core PHP for login, registration, and search functionality using Ajax in Bootstrap Forms.

Technologies: Core PHP, JWT, MySQL.

CERTIFICATIONS:

WEB Development using PHP and Laravel- Certification from Aptech Computer Education.

Duration: October 2023-January 2024

Tafsol House B-11, Block-5,
Guishan-e-Iqbal, Karachi

TAXES

You will be liable to pay relevant taxes on your stipend and benefits as per the requirements of prevailing tax laws and regulations, as and when applicable. Submission and filling tax returns etc. will be your own responsibility.

PROBATION PERIOD

You shall be on probation for three (3) months from your date of joining. During probation, your service can be terminated by providing seven (7) days' notice from either side or payment in lieu thereof.

REPORTING RELATIONSHIP

You will report to the head of your department or any other person designated by him/ her.

DUTIES AND RESPONSIBILITIES

Your duties as an "Intern" in the assigned Department are specified in the relevant Job Description Manual. This shall be informed to you by your manager or head of the department. Your Job Description is however just an indication of your duties and responsibilities and may be amended from time to time based on business requirements.

WORKING HOURS

Your standard working hours will be 45 hours per week and your daily working timings will be from 09:00 AM to 06:00 PM or as amended by the management based on business requirements. Since you will be occupying a responsible position in the company, you are expected to fulfill the responsibilities assigned regardless of the level of effort required.

LEAVES POLICY

You will be eligible for twenty (20) calendar days of paid annual leaves. This includes sick leaves, casual leaves, and any other leave entitlement.

EXCLUSIVELY

You shall devote all your working hours, activity, and efforts to your duties as a member of staff of the TAFSOL.

You may not therefore engage in any other professional or business activity for your own or any other's account, whether remunerated or not, except with the prior written consent of TAFSOL. In the exercise of your functions, you shall neither seek nor accept instructions from any source external to TAFSOL.

Specifically, you shall not indulge in any other remunerative activity/ part-time employment or freelance contract without prior permission in writing. TAFSOL reserves the right to claim compensation and terminate the employment contract in case of identification of any such activity.

CONFIDENTIALITY

Due to the nature of our services and your engagement with TAFSOL and its clients, you may have access to documents, information or data, which are of a highly confidential nature. It is essential for you to keep in confidence, during the course of your employment and otherwise, everything that you may learn in connection with your employment. The above duty of confidentiality, shall apply to all matters dealt with by TAFSOL and by the stakeholders.

www.tafsol.com

info@tafsol.com

Tafsol House B-11, Block-5,
Gulshan-e-Iqbal, Karachi

You may not disclose, orally, in writing, electronically or by any other means or media, documents, photographs, films, recordings, data or, more generally information on any of these subjects, except with TAFSOL's prior written consent. Accordingly, you may not give interviews or conferences, make statements, write or publish articles or series of articles and, more generally publish anything on any electronic or other media on any of these subjects except with the TAFSOL's prior written consent.

Breach of this duty of confidentiality will entail your immediate dismissal for material breach of your employment contract, without prejudice to prosecution or other legal proceedings. By signing this document, you agree to observe this duty of confidentiality not only throughout your employment but also after your severance there from in any way, regardless of whether you agree to the reasons for such severance. These clauses apply to you even after your employment with TAFSOL.

DATA OWNERSHIP AND USAGE

Tafsol Technologies firmly asserts its exclusive ownership of all client-related details, including contact information, copies, and codes of client data. As an integral part of our legal and professional obligations, employees are strictly prohibited from claiming, retaining, sharing, or utilizing this information or data for any purpose, whether for personal profit or not, whether for themselves or on behalf of any other individual or entity other than Tafsol. This stringent policy underscores our unwavering commitment to maintaining client confidentiality, preserving data integrity, and upholding the highest standards of professional conduct.

COPYRIGHT

Any copy right on work done by or on your behalf during your official duties shall be vested in TAFSOL. You shall not claim any rights over any of the work done during or after your affiliation with TAFSOL.

PUBLICITY

When representing the company in word or print, you shall adhere to the company's policies and practices, refraining from personal advocacy. In case of uncertainty or doubt, you shall seek and receive written permission from your head of department.

COMMITMENTS

You are not authorized to make financial, legal or other commitments on behalf of TAFSOL without prior written approval.

CONFLICT OF INTEREST

You will not accept gifts on your capacity as an employee of the TAFSOL. You will not involve yourself in any way in any employment decisions or discussions or other TAFSOL transactions that involve your relatives by birth or marriage.

You are liable to immediately report to your head of department, any interest, financial, family or otherwise you may have in people or companies that provide goods and services to TAFSOL.

TERMINATION

This contract may be terminated;

Page 3 of 3

- a) By either party giving the other one month's notice in advance in writing; or in lieu of notice, payment equivalent to three months' salary or for a reduced period at the discretion of CEO for special cases only.
- b) Without advance notice for material misconduct, breach of contract or other just case as determined by management. Management also hold the right to withhold and/or cancel the full and final clearance in such cases

Please confirm your agreement to the conditions laid above by returning the enclosed copy signed by you on every page including the last one.

It is with great pleasure that we offer you this appointment and, in event you elect to accept it, we hope that the association between you and TAFSOL will be happy, productive, trustful and mutually beneficial.

RETURN OF PROPERTY

On separation, you will return to TAFSOL all documents and other property (hard or soft) of TAFSOL.

VALIDITY

This offer is valid for acceptance until 06:00 PM, Wednesday, 20th March 2024.

Sincerely,

Arsalan Ahmed

Arsalan Ahmed
Human Resources Manager

ACCEPTANCE

I have read the foregoing letter and I accept the offer on the conditions outlined above. I further agree to abide by the rules and regulations of the company, as modified from time to time.

Date: 20/March/2024

Signature: 

Please submit the signed copy of this offer letter to TAFSOL, along with the following:

- Copy of resignation letter submitted to your current employer,
- Copy of your National Identity Card,
- Copy of your updated resume,
- Copy of your latest passport size photo,
- Copies of your past employment record and certificates,
- Copy of last withdrawn salary slip, and
- Details of emergency contact numbers, next of kin, and two personal references.
